## Presidents Farewell

Hi Everyone! And welcome to the very wet start to our 2007 training year. It really looks like the rain is settled in for a while, so we might have to rely on homework and tips over the phone to keep us going along until we can get together again, so please don't hesitate to call either myself or your Instructor to get some ideas on games and lessons you can do at home, even inside.

We had our AGM on Tuesday 27 Feb - and yes, it did rain! Peter Maley once again was our Returning Officer and I'm happy to announce that this year, we offered Peter Honorary membership in recognition of the support he has given our Club over the years.

The new committee was also revealed & with some mixed feelings I stepped down from the position of President - in a way a bit sad not to be in such a great position, supported by such a great committee & members, but also very pleased that the Club has grown some terrific candidates that will not only do the job but I believe breathe new life and continue to take the Club forward. Sarah Baker (of Cooper the Brittany) has stepped up to the President position, with Kellie O'Dea (Drew the Blue) as Vice President. The Treasurer's position is still in the very safe hands of Fiona, (with GSP Ellie) and Ray (Inca the other GSP) continues as Secretary. Tanya (Midi & Echo the ACD's) is still with us and this year we also welcome Chavonne Carroll into the "fold" (variously seen with Shelties and Aussie Shepherds)

So it's onwards and upwards for the new year - I'll still be there doing the training classes side of things (and being the Public Officer!) so I'll see you all out on the grounds - when it's drier! - Heather

## PET EXPO

**Sunday 22 April at Marrara Indoor Stadium**  
We will be having a display and demonstrations through out the day.

Anyone interested in assisting us telling others about our club and demonstrate what we can do please let Kellie on the table know. It doesn't matter what level your dog is as we would love you to come out to show support with the theme of having fun with your dog.

We will also be having one of our famous raffles and selling tickets at our stand so any Donations would also be appreciated.

## FUNDRAISING

### Aluminum Cans & Chocolates

If you drink out of aluminium cans, it would be greatly appreciated if you could clean them and bring them to Training, to help raise money for the Club. Every one helps. Also let us know if you can help selling delicious chocolates!
